

Sky Birds Shipping Pvt. Ltd.

Customs Clearing & Freight Forwarding Solutions

Dear Sir,

We are pleased to introduce ourselves as FULL SERVICE-PAN INDIA group of companies providing TOTAL LOGISTIC SOLUTIONS. We are one of the leading Customs House Agents (Customs Broker). We are positioned to offer Total Door to Door Logistic Service.

Apart from being a traditional Customs House Agent, we have developed a global network of associates. We can offer you door to door service for your imports and exports. Appointing a Freight Forwarder means a one stop shop for all your Imports and Exports and has several advantages such as including pick up from the suppliers warehouse till delivery up to your warehouse, therefore your coordination and follow will be restricted to only one agency. Our foreign associate can track and follow up with your customer / supplier and update you about the status.

As you are aware that total logistics solution or door to door service is the latest trend in International transportation of goods so that after entrusting such responsibilities to us, you are free to concentrate on your focused areas to derive better results.

Specialized services, we offer are Exhibition, ATA Carnet, Emergency Spares clearance and Projects cargo including 2nd hand machinery. You are requested to give us opportunity to serve your company.

Customs Clearance:

Customs clearing is one of the most significant parts of overseas transportation for both importers and exporters. The best thing about Customs Clearance companies is that these are aided by the hassle free approval from varied government agencies for importing as well as exporting goods from one nation to the other.

WHY Customs Clearance AGENT?

- For achieving perfect shipment services
- To attain the guarantee of Safety of all your shipments
- For safe arrival of shipment to desired destination
- To process hassle free Customs Clearance of goods
- Not to have worries related to talking to the custom officials
- No risk

Our Service includes:

- All documentation procedure
- Follow up with various government organization
- Guidance and consultancy on all services i.e. pre and post shipment service
- Updating clients with government schemes and offers

Freight Forwarding:

Freight Forwarders are undoubtedly important in the field of shipping and transportation business. They also assist various businesses when it comes to finding fantastic ways to ship goods to different locations within the nation. Freight services are also known to assist various other tasks such as goods export to many different nations all across the globe.

Sky Birds Shipping is one of the leading International Sea / Air freight forwarders and can meet all your global transportation needs around the world. Whether you're transporting smallest to largest consignments to any part of the world, we shift/transport your freights to the designated place at the earliest.

Freight Forwarder doesn't actually move the freight itself, it acts as an intermediary between the client and various transportation services. The International Freight Forwarder utilizes established relationships with carriers of all kinds, from Air Freighters and Trucking Companies, to Rail Freighters and Ocean / Shipping Liners. As a Freight forwarding service provider, Sky Birds Shipping negotiates the best possible price to move the product along the most economical route by working out various bids and choosing the one that best balances speed, cost and reliability. We provide both Air Freight Forwarding as well as Sea Freight Forwarding.

Transportation Services:

We actualize transportation services for bulk cargo shipping needs of our clients. We have our fleet of HCVs and LCVs that enables us to provide expeditious transportation to our clients. Our professional service further makes our service admirable and customer friendly. We have our own packaging experts, under whose active supervision the goods are packed in best quality and appropriate packaging materials.

Once the task is handled to us, we relieve clients from all anxieties, by providing on time delivery schedules at clients doorstep. To & Fro transportation service is also available from Port to Warehouse & vice-versa. Our fleets of vehicles are new and well maintained which ensures the goods safety is maintained.

All the activity of loading and unloading are done under experienced supervision and carried out by skilled and trained workers. We ensure that the whole shipment is loaded and unpacked with utmost care and in a professional manner.

Sky Birds Shipping offers a wide array of customizable warehousing and distribution solutions to meet the specific needs of your company. Designing and implementing a warehouse solution that allows you to decrease inventory requirements, increase fulfillment rates, and rapidly respond to your customers' demands is our main goal. We work with customers of all sizes and have the ability to expand and reduce space and resources to adjust to your specifications and seasonal demands.
